

# PRACTITIONER TRAINING

Roundtable Session 4:

## Foster Care

Describe informal foster care and why it matters?

Is the number of children in care a good number of foster families to recruit first? Why?

List the important considerations when developing a new foster care process?

Why might a child **not want** to be placed in a family?

What is meant by child participation and why is it important?

If a child remains in care, what are some ways they can develop healthy connections for the long term?
